Nature Of The Azure Coast

Co-funded by
the European Union

Verdon Gorge

Verdon Gorge, also known as the Grand Canyon of Europe is the deepest canyon in Europe. It's located in the Provence region. It was formed by the Verdon River and has a length of about 25 kilometers. Verdon Gorge has a depth of up to 700 meters.

Verdon Gorge

Parc Phoenix

Parc Phoenix is a botanical and zoological garden near the airport and the Promenade des Anglais in Nice. It covers 7 hectares of landscaped parkland. Parc Phoenix was opened in 1990, it combines nature, education and conservation.

Nice

Nice is located on the French Riviera. It's full of exotic plants and vibrant nature. You may find elegant flamingos and other unique animals in local parks and nature reserves. It's truly a paradise for nature lovers and seekers of colorful landscapes.

Nice

Don Bosco school in Nice

Don Bosco School is a historic catholic educational institution established in 1875 by Saint John Bosco. It holds the distinction of being the first Salesian foundation outside of Italy. It's made up of a middle school, high school and CFA/CFC.

Calanques de Cassis

Calanques de Cassis are renowned for their dramatic limestone cliffs, crystal clear waters and rich biodiversity. Accessible by foot, boat or kayak, they offer a variety of outdoor activities, including hiking and snorkeling. Due to their ecological significance, access is regulated, especially during summer months.

Lerins Islands

Lerins Islands are located off the coast of Cannes. It's part of France's tentative list of World Heritage status. The islands support a rich variety of marine life, including Posidonia seagrass meadows, which are vital for marine biodiversity. The surrounding waters are home to various species of dolphins and other marine mammals.

Parc National du Mercantour

The Mercantour National Park located in the southern French Alps is renowned for its remarkable biodiversity and stunning alpine scenery. It's home for many plant species and various animals. To preserve this rich national heritage many strict protection measures are in place.

Regional Nature Park of Luberon

The Regional Park is Located between the southern French Alps and Mediterrean coast, the Luberon is a paradise of natural beauty and cultural heritage. The region is renowned for its vibrant lavender fields, vineyards and lots of picturesque villages.

Olive Grooves and Vineyards of Provence

Provence is known for its beautiful landscapes and embrace of sustainable agriculture by integrating organic practices into its olive grooves and vineyards. These practices not only reduce the need for chemical products but also promote rich biodiversity.

The beaches of the French Riviera

The French Riviera offers a ton of famous and beautiful beaches in its coastline. The golden sands and crystal clear waters are perfect for swimming and hanging out. The most famous ones are Pampelonne beach, Paloma Beach, Mala Beach and Blue beach.

The project is financed by the European Union. The opinions and views expressed are solely the personal views of the authors and do not necessarily reflect the position of the European Union or the entity granting support. The European Union and the grantor are not responsible for them.
